

ILLNESSES & LEAVING CAMP

Illness:

For the protection of your child and other children, guidelines set by the American Academy of Pediatrics are followed: **Parent must keep their kids at home, or take them home, if they exhibit any of the following:**

- Fever- Must be 24 hours fever free without medication
- Vomiting or diarrhea- Must be 24 hours diarrhea/vomiting free without medication
- Sore throat
- Excessive nasal discharge (even if its clear)
- Excessive cough or croup
- Any unexplained rash or skin infection- if the camper has been seen by a physician and has a written release, they may return
- Any Communicable diseases such as head lice, impetigo, pinkeye, scabies, ringworm, etc.
- Measles, mumps, chicken pox, and other childhood diseases

We will call you immediately if your camper becomes sick at camp and expect you to pick them up as soon as possible. Parents are responsible to alert camp staff of all allergies or medical changes as soon as possible.

Leaving Camp:

For the safety and protection of all campers, the following rules have been established:

- There will be a 100% ID Check. Campers must be signed out in the administration building with the camp nurse, dean, or camp manager.
- Campers will only be released from camp to the parent(s), legal guardian, or designated adult according to the registration form. Identification must be presented in all cases.
- Visitors will not be permitted to stay at the camp after 9:00 PM unless they are directly participating in an event scheduled with the dean or camp manager.
