The Answer to What Class Should I Be In?

What is Sunday School?

At MVBC we are “Journeying Together”. The idea of the journey represents that as individual followers of Christ we are to progress and move towards a goal, but that journey is not meant to be done alone. We are to grow in Christ and fulfill our mission together. So once you have “started” your journey at MVBC we encourage everyone to find a ministry in which they can grow in their faith, be encouraged in their walk, and be held accountable. Our ministry for this is Sunday School.

Sunday School is the place to receive encouragement, accountability, and instruction that spurs you along on your journey.

Our Sunday School is a weekly program on Sunday mornings at 10:00 am. During that time each one meets in an open class they feel comfortable in. Sunday School is not limited to that one hour a week, but each class is encouraged to “do life” together. Each class regularly meets for fellowships or ministry projects.

Every follower of Christ needs to be involved in a ministry like Sunday School.

Which Class Should I Join?

The answer to this question is the class that you feel the most comfortable in. If you are visiting it is ok to try out several classes to make sure that you find the right fit. Our classes are age graded meaning that they are divided by ages. The age grade serves as a guide, but again we want everyone to be where they are comfortable.

We also occasionally offer short term studies during the Sunday School time that one is able to sign up and attend for the duration of the study.

MVBC Adult Sunday School Classes

Women’s Class – We can’t post ages for a women’s class, lol.

Our women’s class is for all women. They are a very close knit group. They have won our Party Animal Award for the most class fellowships every year. June Sullivan teaches the class with a round table discussion style.

Adult 1 – Ages 18-25

Our Adult 1 class targets the college age singles. The class is taught by our worship leader Robert Roberson. Robert leads a round table discussion group with studies targeted for young adults.

Adult 1.5 – Ages 25-35

Our Adult 1.5 class is our newest addition. The class targets newly married couples below 25, and then couples and singles 25-35. The class is purely discussion based in almost a support group style. The class regularly meets for fellowships. The class is taught by Nick and Joni Hall; and our pastor, Bro. Jake and his wife Amanda.

Adult 2 – Ages 36-45

Our Adult 2 class targets couples and singles in the 35-45 age range. The class is taught by Rosanne Loyd. Rosanne uses a combination of lecture and discussion. She has a great gift of making her lessons very practical. The adult 2 class meets regularly for fellowships.

Adult 3 – Ages 46-60

Our Adult 3 class has a wide range of ages. There is often tasty smells coming from their classroom. Along with class fellowships and service projects outside of class the adult 3 class often hosts fellowship meals during class. The class is taught by Jimmy Hawkins. Jimmy uses a lecture and discussion model. Jimmy dives in deep in his lessons.

Adult 4 – Ages 61 & Up

Our Adult 4 class is our other party animal class. They regularly have fellowships, along with trips to Branson annually. The Adult 4 class is very strong. The class is taught by Dr. Kellar Noggle and Rick Hawkins. The teaching team spent their careers in education. Rick provides interesting background and devotional thoughts in the opening. Then Dr. Noggle who is a very gifted teacher uses a lecture style providing fascinating in-depth background and historical settings with his lessons.
