

Tech Team - MVBC is trying to incorporate technology and media into our worship service and special events. There is an opportunity to help run sound, video, and eventually lighting to help enhance our worship experience.

Transportation Team – This team keeps our vans running and oversees the van usage.

Youth Ministry - Just as MVBC has a heart for children, MVBC invests a lot into reaching teenagers. Our youth ministry is led by our youth pastor David McFerron. The youth meet year around at the SHED on Wednesday nights. They are regularly having special events.

Serving through MVBC Guide

The Answer to How Do I Get Involved?

How Do I Get Involved at MVBC?

Join a Ministry Team

We believe that all believers must progress on their Christian journey. We should move from starting, being spurred, and then to serving and reaching others. Therefore we encourage all members to join a ministry team. If you would like to join a ministry please contact Bro. Jake at 501-849-2727.

Ministry Teams at MVBC

Admin. Team – Our Admin. Team consists of various committees and areas of leadership. This would include our deacons, trustees, finance committee, nominating committee, committee on committees, building committee, and volunteer office work. This is essential for our church to carry on. These committees are filled through volunteers nominated by the committee on committees. To get involved one would just need to share interest or anytime we need volunteers for office administration work.

Bereavement Team – Our bereavement team is led by the bereavement committee but needs lots of volunteers. We provide meals for families who have a death in their family. Help is always needed in preparing food, serving food, and setting up tables.

Children's Ministry - MVBC has a heart for children. There is no greater time to reach someone with the Gospel than when they are young. There are many opportunities to serve in this ministry team. We minister to children with our Wednesday night AWANA program in which there are areas of listeners (help teachers with small groups), teachers, food servers, game leaders, van drivers. We also have Sunday school where we teach kids the Bible. We have our Children's church for pre-k - kindergarten during the worship service. We always need chaperons on trips. Then we have Vacation Bible School in the summer. We also have opportunities for you who like to decorate.

Creative Arts & Design Team - On occasion we have decorated our sanctuary for special sermon series or events. This team is for those who would enjoy creating backdrops and decorations.

First Impressions - When someone steps on our facility we want them to be welcomed. We want visitors to have a pleasant experience. The First impressions Team consists of parking lot attendants who will direct parking, greeters to greet each one who comes in the door, ushers to help seat everyone, and individuals to guide visitors to classrooms.

Food Pantry - Each Saturday 11:00 am - 1:00 pm we serve food to the community. There are opportunities to help serve on Saturdays. Also there are opportunities to help prepare food during the week.

Inclusion/Assimilation Ministry Team – This team works to help involve prospective, new, and inactive church members into various ministries in the church.

Missions Team – This team leads the church in missions by keeping the church informed of mission involvement and help plan mission trips.

Music Ministry - For those gifted in music or who want to serve the Lord in this area there are opportunities to participate in the choir, sing individually, and participating instrumentally.

Nursery - The nursery is very important for a church. We have volunteers who keep our baby and toddler nurseries.

Prayer Team – This team will lead the church in prayer and organize and operate a church prayer chain.

Property Team - Our facilities are growing. It takes a lot to keep them up. If you are talented or have a heart to help with maintenance needs in the church or our property you could help with group work days or on your own time.

Teaching – With several Sunday School classes many teachers are needed. Teachers are recommended to the church through the nominating committee.
