

# Correspondence from your school in Haiti

Spring 2019

## Lutheran School at Ducis

Dear Members of Nebraska South LWML District,

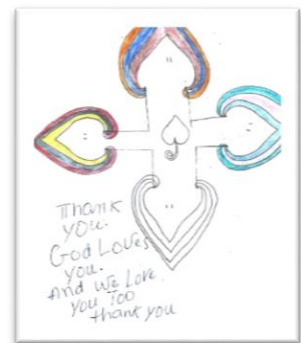

To provide over 4,000,000 nutritious meals to hungry children in Haiti every year requires quite a few ingredients...rice, beans, corn, herring, etc. However, to operate a sustainable ministry that does this year after year requires far more ingredients than just food. We must add into the formula critical components like dedicated supporters, hard-working volunteers, generous donors, Godly employees, and a ton of energy, perseverance and patience. When you mix all of that with an abundance of prayer, the leading of the Holy Spirit, and a never-ending desire to share the Gospel, God blesses those efforts more than one can imagine. THAT'S the story of Trinity HOPE, and we give God ALL the glory!

We want you to know just how valuable your on-going school sponsorship is to the children at your school and the ministry of Trinity HOPE. Without you, none of this would be possible. God is using your generous support to feed children both physically and spiritually. YOU are an incredible ingredient in the work we do every day. Thank You for your partnership and allowing us to serve God together.

The children of Haiti want to say "Thank You" by sharing the pictures, letters and drawings included with this school correspondence packet. We hope you enjoy this little glimpse into the impact you are having at your school.

Serving Christ Together,

Keith Logan
