

## Quarantine Exercise ANSWERS

(From your editor, Linda Hammer)

In the summer issue of The ECHO, I asked if you could find the names of sixteen (16) books of the Bible hidden in the paragraph below. The hidden books are noted in red and highlighted.

I once made a **remark** about the hidden books of the Bible (merely by a **fluke**). It kept people **looking so** hard for the **facts** and for others it was a **revelation**. Some were in a **jam**, **es**pecially since the names of the books were not capitalized, but the **truth** finally struck home to **numbers** of readers. To others it was a real **job**. We want it to be **a most** fascinating few moments for you. **Yes, there** will be some really easy ones to spot. Others may require **judges** to help them. I will quickly admit **it usually** takes a minister to find one of them, and there will be loud **lamentations** when it is found. One little lady says **she brews** a cup of tea so she can concentrate better. See how well you can **compete**. **R**elax now.

There really were sixteen names of books hidden in this story! I hope you enjoyed this exercise.
