Neutralizing History is sacred time within a sacred space to be heard and hear each other's experience. It is a powerful time of pause in the life of the church, after which we are more able to follow God into the God's future for us as a congregation and individually. In the life of New Life UM Church there have been conflicts which have occurred. Some large and some small. Many of us have experienced hurts during these conflicts. Neutralizing History is a time when we can come together in a safe environment to talk about how the conflicts have hurt us in a way which can enable us to let go of our hurts and move ahead free of them.

Everyone is encouraged to participate. There is no pre-registration. Lunch will be provided on Saturday. Gerry Conti will facilitate our time together. She is trained and experienced at facilitating Neutralizing History. Please contact Pastor Tim with any questions or comments.
