

CAMP REPORT

Awesome would be one word to describe the week we had at Spring Lake Camp June 17-21. Our theme for the week was JESUS with Jeremiah 29:13 as the key verse. There were 288 people in attendance with 65 of those adult sponsors. There were 12 association churches represented along with 5 outside churches.

There were 22 reported professions of faith and 8 recorded rededications. Those who made a profession of faith received a copy of the book "Survival Kit for New Christians" to help them on their start as a new Christian.

The students worked together in a "friendly competition" each morning with various activities around campus. They all participated in a service project by cleaning the tables and sweeping the floors after each meal. Richie Whitley brought the State Police Mobile Incident Command Center one morning to show the students how it operated and how they work together as a team. We would like to commend students and adults alike for keeping the dorms clean and the campus clean all week. That is something we usually have to really talk about but did not have to at all this year!!

Our camp pastors for the week were Rick Hyde for the children and David Dillard for the youth. Stephanie Harmon led the children's worship and Telematic led the youth worship. We also had Cyril Antony speak every morning at mission time and everyone thoroughly enjoyed him!! Jeanette Dunn served as our camp nurse. We appreciate all of these for leading!

Honor Campers for the week were:

Children Girls: Makenzie Seale from Sparkman First

Boys: Hunter Barlow from Chidester

Youth Girls: Vivian Clark from Calvary

Boys: Dade Turner from Calvary

Beverly Laws Memorial: Sidney Pigott from Holly Springs

Melba Jackson Memorial: Garrett McWhorter from Bearden

These students received a plaque or trophy and will have their camp fees paid for 2020.

Thank you for supporting camp with finances and most of all your prayers. We had a great week with great weather and terrific students and wonderful sponsors. Everyone was so willing to do whatever was asked of them to do, even if it meant getting a little embarrassed!! We could never say THANK YOU enough to all the adults who gave a week of their time to minister to these students!! Mark your calendars for June 15-19, 2020 and make plans to be a part of this dynamic movement of God!!
