A Newsletter of the First United Methodist Church in Greene
November/ December, 2017

From the heart of Pastor Michele!

Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name.

Psalm 100:4

Greetings in the name of our Lord and Savior, Jesus Christ. I pray this message finds you drawing closer to our Lord in your everyday life and seeing Him near, even in the most mundane.

We are entering the season of Thanksgiving when our hearts are full of love and joy as we reflect on the year past and all the blessings we have received. We also look ahead to the seasons of Advent and Christmas with all their glory and glitter, songs and carols, new beginnings of the church year and new life in our Savior, Jesus, the Christ child. It is also that time of year when you have been accustomed to hearing the words “*Pledge Campaign*” in order to financially support First United Methodist Church of Greene’s fiscal budget. This year you won’t be hearing those words but instead you will be hearing of thanksgiving, abundance, and generosity. Commitment comes from the heart and although you won’t be signing a pledge card, we still covet your commitment to support the ministries of your church with generous giving.

I encourage you to find greater contentment and simplicity in your lives as you put God first in your giving and living and to experience the joy that comes from knowing our gifts honor God and change lives. The challenge is to find ways to grow deeper in our faith. One way to do this is to offer our financial blessings to God through our tithes and offerings. Through these gifts, we invest in God’s vision and purpose and create an opportunity for God to work through us. Our gifts to God each week are an act of worship; and our offerings are vitally necessary to change lives, transform our community, and renew our church.

Giving generously is important for the Bible has a lot to say about wisdom and finances, with 2,300 verses that tell us to be generous and good stewards of our resources. Jesus taught generosity and sacrifice. He demanded that his followers serve not wealth but God, and in the parable of the talents he taught that God will hold us accountable for what we do with all our earthly possessions.

The Bible teaches us to give a tithe, or the first 10 percent of what we earn, to God and the church’s work. For some, giving one tenth is a very difficult goal. For others, it is the starting point, and their giving far exceeds 10 percent. The important thing is that you start somewhere, that your giving be in proportion to your income, that your giving reflects an appropriate offering to God given your means, and that your offerings express both your desire to serve the Lord and your investment in God’s work. What you give has nothing to do with what someone else may or may not give...it is between the giver and God alone. However, you can begin by determining what percentage of your income you can give to God. If you are not yet tithing, consider taking a step toward tithing this year. For example, if you now give 3 percent of your income, consider increasing your gift to 4 percent, and an additional one percent each year until you reach the tithing goal. My prayer is that everyone will grow in his or her faith through giving financially to the ministries of God’s church and experience the

joy and blessings that come from financial generosity. The bottom line is, my friends, God has called us all into ministry so we are all in this together, and our community needs us - the church - to be the church. If we all commit to giving from the heart, I know we can do great things to grow the kingdom of God right here in our small community.

Remember, *A tithe [tenth] of everything from the land, whether grain from the soil or fruit from the trees, belongs to the Lord; it is holy to the Lord.* Leviticus 27:30

And,

Honor the Lord with your wealth and with the first fruits. Then your barns will be filled with plenty, and your vats will be bursting with wine. Proverbs 3:9-10

Let us, this Thanksgiving season, covenant with God and one another to tithe or strive to increase our giving so that we may honor God and one another through our love and generosity for the ministries of First UMC Greene.

The point is this: the one who sows sparingly will also reap sparingly, and the one who sows bountifully will also reap bountifully. Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work. (2 Corinthians 9:6-8)

May God bless each of you abundantly and may each of you give generously from the heart to the ministries of your faithful church, First United Methodist Church of Greene all to the honor and glory of our Lord Jesus Christ.

With a generous heart,

Pastor Michele

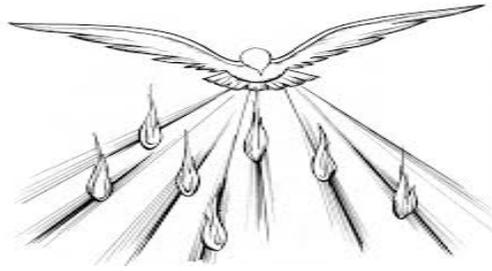

Our Annual Charge Conference

is set for Saturday, November 18 at 10:00am.

First UMC Chenango Bridge will host the event this year, which once again will be led by our District Superintendent, Dave Kofahl.

We will be joining our brothers and sister from Abbott West Chenango UMC, Castle Creek UMC, Chenango Bridge UMC, Choconut UMC, Glen Castle UMC, Lao American UMC, Marathon UMC, North Fenton UMC, and Whitney Point UMC.

We will have a time of worship together which will include the business items for our gathering. As we gather for holy conferencing, I'm sure we will be blessed.

Confirmation

In the United Methodist tradition, Confirmation is a very important time in the life of a youth. At Baptism, parents and sponsors as well as the congregation promised to raise the child in the ways of God ... adults spoke on behalf of the child.

Confirmation is when they will learn about their faith to the degree they will make their own decision to follow Jesus Christ and join their home church. No longer is it the religion of their parents, but their own. They will stand before the congregation and profess their own faith in Jesus Christ.

Confirmation classes for youth in grades 6-12 will begin November 5 right after worship. Confirmation will be scheduled for Easter Sunday. If your child is signed up, be sure they have received their workbook. If your child is NOT signed up, it's not too late.

Please see Pastor Michele for more details or any questions you may have or feel free to call her at 910-260-0660.

Deadline to bring in: Sun. Dec. 17th. Thank you!

NATIVE AMERICAN AWARENESS by Scott Clark

For 37 years, using a three-pronged strategy of educating grassroots practitioners, advocating for systematic change, and capitalizing Indian communities, First Nations has been working to restore Native American controlled and culturally-compatible assets they own. Whether they are land, human potential, cultural heritage or natural resources or to develop new assets, the goal is to ensure the long-term vitality of Native American communities.

First Nations has established the Native Arts Initiative to stimulate perpetuation, proliferation and revitalization of artistic and cultural assets in these communities. The NAI is working to achieve this by strengthening the enabling environments in which Native-controlled non-profit organizations support emerging and established Native artists and sustain traditional Native arts in their own communities.

Under the NAI, First Nations provide selected grantees with organizational and programmatic resources, including direct grants and technical assistance and training. Since 2014 First Nations has awarded more than \$1 million in NAI grant funds to a variety of eligible Native controlled non-profit organizations and tribal programs.
