2021 'TOGETHER' Appeal

At St. Michael's, we invite you to enter more deeply into the practice of gratitude by walking as a disciple of Jesus to spread the good news. Your generosity in response to God's blessings makes a tangible impact on our worship, in our life together, in our community, and outreach to our neighbors. By our generosity, we recognize the grace we experience in our daily lives, we respond with the practice of gratitude, and we share what we have so that God's Grace might grow. We demonstrate 'loving our neighbor' TOGETHER by our actions- especially during these difficult times.

Why do you want to give generously?

The annual appeal supports the needs and desires of our parish and parishioners and the community that we live in. Think of all the good that you and St. Michael's already do! What do you want to do in your walk with Jesus? How will you share in supporting our missional ministries to making possible our continued generous outreach, liturgical, educational, and musical offerings?

Thank You for Your Generosity!!!
