Volume 10

Every Tuesday you will receive information from our office from Bro. Joe, Louisiana Baptist Convention, the Baptist Message, etc. During this time of uncertainties, we want to serve you and your staff to the best of our resources and abilities. We will try to stay as brief as possible because we understand that your time is very valuable.

Disaster Relief needs  
listed under Ministry  
Spotlight

Ministry partners and friends, I hope you and your family are doing well. I know your plate is full with a multitude of different things that are going on. Between knowing what to do about the virus and church ministry, preparing for hurricanes

for a second time within weeks and meeting the needs of your congregation on a weekly basis, I would imagine you are wondering what is next. One thing about ministry in the local church and the association, there is not a dull moment or a lack of needs. I want to let you know I am praying for you, your family and your church. Even though you are called by God to your ministry you are only human and will experience physical, emotional and even spiritual demands that seem overwhelming. But never forget what Paul said in Philippians 4:19, "...and my God shall supply all your needs according to His riches in glory by Christ Jesus." He will be with you no matter what you face.

But I want to say to you if there is anything I can help you with don't hesitate to call, text or e-mail me (whatever works for you). I want to be your resource person, your help and friend as we minister together. I may not have the resource, but I may know someone that does and together we can meet the need.

Be safe and please let me know if there is a need in your area.

Your Director of Missions

Bro. Joe

# ENCOURAGE

A Webinar for Ministers and their Wives

PLEASE NOTE CHANGE IN DATE AND TIME

Tuesday, October 6, 2020

3:30 - 4:30 pm

The logo for ReGroup, featuring the word "Re" in a smaller, dark font and "GROUP" in a larger, white, bold font, set against a blue background with a subtle diagonal line pattern.

If, for some reason, you were unable to join any of the ReGroup webinar sessions, the on-line recording is now available on the LBC website.
