Times A Changin'

A people in exile are still God's people. The story of Jacob's line is for our benefit and the benefit of all. It is a larger story. It points to someone.

Ezekiel gives some disturbing prophecies. Much has been written about this book. It's easy to get caught up in the details—to overthink. But they point to someone.

Week 43 Paul Writes

Two epistles this weekend. Don't get distracted. The ONLY verse in the Bible that deals with slavery (as we think of it) is in Exodus. Make sure you read it with Philemon.
