

2019 12 15 21 Off Again, On Again

God views time completely, all at once. He knows the beginning from the end. The time has come to open the book. The Word of the Lord is very convicting. The longer it's been, the more overwhelming the light can seem.

And all the people gathered as one man. Ezra the priest brought the Law before the assembly. And he read from it from early morning until midday, in the presence of the men and the women and those who could understand.

And Nehemiah said to all the people, "This day is holy to the LORD your God; do not mourn or weep." For all the people wept as they heard the words of the Law.

Seven churches, seven angels, seven sevens: what can it mean? This is no ordinary book. It's not even an ordinary prophecy. We see why Jesus only gave it once!
