

## New Shooter

Possibly the wisest among them, Job shares thoughts on wisdom. This concluded Friday's readings. Today a new speaker steps to the mic. Young Elihu has listened long enough. His remarks take on a new tone, and prepare their ears for the words of Wisdom which come at the latter part of the week. So far, the book of Job.

Wisdom made flesh walks among men. They don't approve of his choices. This clown eats with sinners! What of the law? What of love? What of the Sabbath? What does it all mean?

And, isn't this exciting?

Wisdom speaks.
