

Wk 7 Never-Ending Journey

So much time has passed. Joseph died. His children died. Their children—400 years have come and gone. How things have changed. Moses is called where he is: not when he feels ready. As Pharaohs come and go, it is important to remember Who is in control. Watch this!

Jesus has come into a broken world. This one has leprosy. That one is demon-possessed. Here comes one who is mute; one lame; one blind. With so much brokenness, so many maladies, so many lacking in wholeness, it is important to remember Who is in control.

Here he comes now. The rulers couldn't recognize him. The broken couldn't miss him. Are we any different today?

God bless your week. **Pben**
