

**Week 15 Readings**

To maintain the integrity of the chronology, we have many smaller passages this week. We begin in Psalms this week. Not necessarily the first Songs, but the first to be recorded in the Holy Writ (or Moses' utility box). Psalm 90, the prayer of the man of God, is one of a kind.

The claims of Jesus become more specific; certainly bolder. The time is drawing near. The reign of heaven is at hand.
