

Week 24 Well, That's Typical

A brief interlude has passed. David was anointed king at a very young age (well before the current king had passed on). He served his king and country admirably. When the danger from the king finally passed, it gave way to danger from Israel's enemies. Now David is threatened by one of his own sons. Time to write a Psalm.

Jesus sees his betrayer and allows everything to happen as it was prophesied. Being Savior of the world has its drawbacks.

Have a great week. Pben
