

**Week 26 1025-971 B.C./AD 30**

David sings to the Choirmaster of a righteousness that comes from God. This is the God who gives peace and rest, peace and sleep. David, Asaph, and some unnamed authors lend their talents to the readings this week. You will recognize many lyrics.

Our New Testament readings have brought us to the end of the gospels to their respective accounts of events after Jesus rises from the dead. Right after Ascension Day and Pentecost (almost like we planned it that way). The victory is won. Christ is risen indeed. Amen. Alleluia.
