

THANK YOU

I would like to thank all the churches who came out to the University Center campus to serve lunch this past semester. As usual for this year, things were different. The campus required all the lunches be served in to-go boxes and that everyone wear a mask inside the building. Every single church and group that came this semester adjusted to the changes joyfully and was a pleasure to work with. Even though things were different, I was still able to meet new students and get them involved in BCM activities because the churches and ministries of the Enon Baptist Association were faithful to come serve. I look forward to serving BCM lunch with all the churches in the upcoming Spring semester. -Phil Ford-

THE WELL

The Well has taken off better than I could have imagined! 30+ young adults have come to worship the Lord together each Wednesday night since November 4, 2020. Young adults have come from multiple churches from within the Enon Baptist Association and even some from outside of our association. There are a range of young adults attending the service too. There are some seasoned Christians, new believers, and even some seekers coming. One man reported that he is the only young adult in his church at this time. So, the Well is a great place for him to get encouraged to go back and serve in his church. At the Well, young adults are worshipping in song and in scripture, finding community, leading, and seeing that they are not the only ones their age following Jesus. For the foreseeable future, the Well will continue to happen **every Wednesday at 8 pm in the Brady Chapel at FBC Ardmore**. If you know a young adult, please invite them to come to the Well. If you have any questions, please contact me at the Enon office or Bill Bergstrom at FBC Ardmore. -Phil Ford-

A WORD FROM ROBERT...

Due to the current surge of COVID cases in our area, we feel it is best to suspend group meetings and activities at the Enon office, until after the first of the year. This will include Pastors' Conferences. All speakers who were scheduled in November and December will be rescheduled when we resume.

I attended the State Convention this year held at Broken Arrow FBC and I want to share a couple of my thoughts regarding that meeting:

- The Convention was much better attended than I anticipated, and the convention staff did a great job of making sure attendees social distanced and wore masks.
- The convention consisted mostly of reports and only necessary business, ie. election of officers and approving the 2021 budget. The Oklahoma Baptists staff did an outstanding job of streamlining the convention and keeping on point and on time.
- The messages by President Blake Gideon and Executive Director Hance Dilbeck were relevant, powerful, and meaningful. They are available to [watch on-line](#).

We are all hoping that the work of Enon returns to *normal* (whatever that looks like) very soon. Until then please BE SAFE! BE WISE!

HIGHLIGHTS FROM CALL WITH GOV. STITT

Gov. Kevin Stitt held a brief video call with pastors and church leaders across the state on Nov 23. He asked for prayer as Oklahoma continues to see a surge of COVID-19 cases. Highlights of this call were:

- Churches are strongly urged to follow COVID protocols and safety measures, emphasizing "3 W's"—Wash hands, wear masks, and watch distance.
- More restrictions have been implemented (including at restaurants and other establishments). Next step being considered is potentially to halt elective surgical procedures.
- Oklahoma could receive first doses of the vaccine in two to three weeks
- Churches are encouraged to find ways to honor and thank health care workers and others serving on the front lines
- Call for a Statewide Day of Prayer and Fasting on December 3.

Please Pray for our Pastorless Churches

- Marsden
- Loco
- Marietta First
- Shady Dale
- Zaneis
