STATE EVANGELISM CONFERENCE

The State Evangelism conference was truly inspiring and encouraging. Hance Dilbeck, Executive Director of the BGCO, emphasized once again that we need to be about "seeking out the broken and destitute, for they realize their need for God."

Chonda Pierce had the crowd in stitches as she spoke to the Sr. Adult session on Monday morning.

Master's Voice provided the music for the entire conference with a great mix of

southern gospel, hymns, contemporary music, and choruses. Ricky Capps from the group also preached one of the sessions and gave his testimony. Other preachers included A.B. Vines, Bill Britt, Elmer Towns, Thomas Hammond, Kie Bowman, James White, Cody Dunbar, and Ed Newton.
