OPENING CHAPEL

We will start the new school year with chapel at 7:45 on Monday, August 30. Students will sit with their classmates and teacher this first week. Parents and grandparents are certainly welcome to join us! Our chapel offerings for the first half of the school year will be donated to Feed My Starving Children.

NANCY LARSON SCIENCE

Students in grades 5K-5th will once again be using Nancy Larson Science. Parents and students may login at home to explore topics. Student Login:

HOT LUNCH NOT AVAILABLE

Trinity is not able to receive hot lunches this year from Hilbert or Chilton. The rules for free lunches have changed as things begin returning to normal. Teachers will prepare hot dogs, chips, applesauce, fruit, and dessert the first day of school. Mrs. Johnson is working with upper grade parents to determine a hot lunch schedule to help fund the upper grade end of year trip. Once things are worked out, we will let you know. Get those lunch boxes out and ready!

MILK FOR THE YEAR

Sue was able to get us back on the delivery schedule for milk. Friday, September 10 will be the first day we have milk. Please remember to send a drink with your child's lunch until then. Cost for the year is \$40.00, or you may pay \$20 for the first half of the year. If you have not already done so, please let Sue know whether or not you wish to purchase milk for your child(ren), and if they will be taking white or chocolate milk.

FALL FIELD TRIP

Students in grades 5K-8 will be heading north to Lambeau Field on Friday September 17. After a tour of the stadium, the students will have the opportunity to play at Titledown Playground area before heading to lunch at Gallagher's Pizza. Parents are welcome to join us on the trip and will be asked to cover the price of their admission (\$12.66) and the cost of their lunch. Once we determine the cost of the lunch buffet we will let you all know. Please contact the office and let Sue know if you are planning to come along. We need a total count by September 9 so we can let them know at the stadium.

SCHOOL PICTURE DAY

Pictures are scheduled to be taken on Monday, September 27. Once we receive the order envelopes, we will send them home.

DRESS LIKE A PIRATE

4K-8th will have Dress Like a Pirate Day on Thursday, September 16. Don't forget your parrot! 3K students will dress up on Friday, September 17. I'm looking forward to seeing how creative you all can be!

NO HEALTH SCREENINGS

Calumet County Health Department will not be doing school health screenings this year. Remember to get your child's vision tested.

MOSQUITOES

As I'm sure you are all aware, the mosquitoes are thick as thieves this year. It doesn't seem to matter what time of day it is. If you would like to send insect repellent for your child to be applied before going outside, please feel free to do so. Please label the container with your child's name.

BUSES

Brillion started school earlier than we did this year, so Brillion bus riders should have service the first day of school. However, Chilton and Hilbert do not start until Wednesday, September 1, so students who plan to ride those buses will need transportation the first two days of school. Also, Hilbert riders only will need transportation home on Wednesday afternoons. Please let us know if you have any questions.
