“In Christ, I can.”

NEW TEACHERS

As many of you know, it has been an extremely busy summer at Trinity as we have been searching to replace two teachers, one in 3K, the other in first and second. I am very happy to report that our search has ended and we are set to begin the 2021-2022 school year. Our nineteenth contact proved to be THE ONE to replace Mrs. Lemke. Ms. Nicole Hickinbotham has signed her contract for next year and we are hoping she will be a part of Trinity for many years to come. Nicole is a 2016 graduate of UWGB and has taught third and fourth grade for the past five years at Holyland Catholic School in Malone. We are very excited to have her join our staff.

Mrs. Katelyn Schoen Campshure, life-long member of Trinity, will be taking on the duties in 3K in October. Katelyn and her husband Nathan recently welcomed Hazel to their family; Katelyn will be easing into her teaching duties. Nicole Simek will be in the classroom to start off the year with Katelyn helping out. Katelyn will fully take over beginning in October.

PREPARATIONS FOR A NEW YEAR

We are getting ready for the start of a new year. Bruce has started on the floors and carpets, workbooks and materials have been ordered and are ready to be distributed, and the teachers will be returning to school on Monday, August 16. We are all looking forward to a fabulous year!

I know we are all sick and tired of hearing about Covid! The consensus among area schools and the Calumet County Health Department is that we will be looking at a “masks-optional” situation this year. That is also the case with the Lakeshore Lutheran League when it comes to sports. We are all planning on and looking forward to a “normal” year. Sue has been in contact with Kobussen. Chilton riders will NOT be required to mask this year. Since all area schools are not requiring masks, we are hoping the remaining buses will not be requiring riders to wear them either. We should know more soon.

IMPORTANT UP-COMING DATES

There are several dates you all need to be aware of as we approach the start of school: our traditional “Clean the School Night” will be a two-day opportunity for service hours this year. On Tuesday evening, August 17 and Saturday, August 21 we will gather to paint the hallway and wooden cubbies, and generally clean things up for the start of the year. If you are able to help out either day, or both, please sign up on the Sign-Up Genius link Sue will provide early next week. Also indicate if you have any painting supplies you will be bringing along/donating.

Open House will be held on Tuesday, August 24 at 6 pm. We plan to have the necessary paperwork available at church beginning August 12. That will give everyone the opportunity to fill things out prior to our meeting on the 24th. If you would prefer to stop by school and pick up your family packet, please let Sue know so she can have it available for you. For those of you with children in our daycare this summer, your packets will be there.

If you have any out-grown Trinity gear that still has some life left in it, please consider bringing it along to the Open House and place it on the exchange table. We already have somer-shirts and outerwear that will also be available to whomever would like it.

The first day of school is Monday, August 30. We will ease into the new year with a four-day week (Aug. 30-Sept. 2), followed by a four-day weekend (Sept. 3-6), then another four-day week (Sept. 7-10). The annual church service in Potter Park will be on Sunday, September 12. Trinity returns to its regular worship schedule on Sunday, September 19 with services at 8 and 10 and Bible class and Sunday school in between.

SEEING YOU AS WE GET READY FOR THE
NEW SCHOOL YEAR!**
