

Religion Notes Unit 1

Grades 3-4

- 1. God is God the Father, God the Son, and God the Holy Spirit. God is everywhere and He does not change.**
- 2. We learned that our faith can grow in many ways. One such way is through the Word of God, the Bible. The Bible is true.**
- 3. We are not perfect, we sin. Only Jesus was perfect and he took our sacrifice for us on the cross. Because of this we have forgiveness and can have new life with God forever.**
