Physical Science

We are finishing our study of Newton's 3 laws of motion. Test on Thursday.

English 6

We are working on indirect objects, using quotations, and writing short essays.

English 7-8

We are working on interjections, on indirect objects, and on writing for our geography research and report.

Literature 6/Spelling

We will continue to read the novel *The Westing Game* together.

Literature 7-8/Spelling

We will finish the mini-series *Pride and Prejudice*. We will do compare/contrast with some modern adaptations of the story and discussion the story elements that make it easily adaptable and still relevant to our modern world. We continue to work on free choice reading for A.R.

Math 7

We are studying percents.

Trinity - Rantoul 6th-8th grades

Math 8

We are studying equations with more than one variable.

Algebra

We are studying linear equations.

World History I 5-6

We are studying the spread of people and cultures surrounding Mesopotamia.

Geography II 7-8

We are nearly done with our Eco-friendly home research project. The sketch of the African eco-friendly villages is due on Monday. This week we will be working on the written report. Students will work on their 3-D home projects at home.

Technology

We will construct 3D items out of Legos to think through 3D items that can be printed.

Physical Education/Health

We will continue cardiovascular health (walking, biking) and healthy eating. For health class, we are exploring mental health and online safety.
