

## RONI PIMENTEL DE SOUZA AND ROBERTO TOLEDO JÚNIOR

### Testimony

Here in the community of Membeca, we stand firm in the spread of the gospel, and we have prayed, often with tears, because we know of the struggles facing those who are embracing the faith.

We are also getting a lot of results through the Small Multiplier Groups and the football project. Glories to God.

### Prayer Request:

1. That our disciples may remain steadfast in the truth of the gospel;
2. For our spiritual and physical protection

Thank you for your prayers and support!
