

A Love Offering for Tessa Andrews

Sunday, September 20, 2020

We are all called to be missionaries! The calling usually looks different for each of us. Some are called to be pastors, some to teach, some to build, some to bake, some to lend an ear, some to pray and some to give financially.

Tessa Andrews was called specifically to Les Cayes, Haiti. It is a calling that she believes started years ago when her Mom went on a couple of short-term mission trips to Haiti.

Tessa is a 23-year-old Madison native and member of Pinetta's First Church. She has a degree in Elementary Education, a heart for children and a passion to see all kids succeed regardless of any limitations. She is currently working with Hope for Kidz, a ministry of Reciprocal Ministries International's (RMI). They partner with sponsors to meet the educational and physical needs of Haitian

children.

Tessa should have come back to the states in early June to visit and raise financial support to continue her ministry. However, the Coronavirus pandemic has impacted Haiti as well.

Will you join us for "Love You To Haiti And Back Day" on Sunday, September 20? All churches in our Association are asked to gather a special love offering that day to help Tessa continue her mission work in Haiti. You can send your special love offering gifts to the Association office and the staff will send it to Tessa's ministry account.

If you would like to have Tessa speak at your church or you simply want to know more about her, Haiti or any of the ministries she works with, contact her at: tessa.andrews@rmibridge.org .
