### At the End of the Message

At the end of the pastor's message each week, there is a time for each person to respond to the message. You may respond by wanting to accept Jesus into your life. Your response may be to seek out more information about Jesus and what it means to be a Christian. You may wish to have more information about our church. You may want to be baptized. You may want to know how to join our church. You may want to pray or to make a commitment to follow Jesus more closely.

If you wish help with your response you may receive help either by checking a box on the back of the Welcome Card and putting it into the offering plate or you may come to the front of the church when the Pastor stands at the front at the end of his message and he will help you.

# Welcome to our Guests

We welcome each of you to our Church. We hope that you are uplifted by the encouraging message, the beautiful music and the wonderful fellowship of our church family.

It's our desire that people grow in their relationship with Christ and find a place to serve Him. If you do not attend a church regularly, we invite you to become a part of what God is doing here. Please fill out a Welcome Card (yellow). This will help us keep in touch with you. We'll try to answer your questions and provide whatever help we can. We will collect the cards during the offering.

**As members of the Body of Christ, we find our purpose in:**

**~ Glorifying God ~  
~ Loving One Another ~  
~ Reaching the World ~**

**As a Church, we find our purpose in equipping our members to live out this goal.**

*Dear Congregation,* I will be on mission to Africa from June 24 to July 11. Please keep me, my fellow travelers, and *Come & See Africa* in your prayers. I am asking for your full support as I minister far away from home for 18 days. This time around Kim is staying in San Lorenzo, so I ask for your loving support of her as well.

Some of you may wonder why I continue to do this difficult missionary work. The simple answer is that God has called me to it. The same God who called me to First Southern has also put a burden on my heart to serve his needy people in Rwanda as well as in San Quentin Prison.

It's a challenge to me and difficult to explain except to say that I must be "faithful to my calling". Can there be a more important thing than faithfulness? As each of you examines your own heart, ask yourself "Am I being faithful to what God has called me? You are not accountable to me, but the God that we both love. *Pastor Chris*
