### At the End of the Message

At the end of the pastor's message each week, there is a time for each person to respond to the message. You may respond by wanting to accept Jesus into your life. Your response may be to seek out more information about Jesus and what it means to be a Christian. You may wish to have more information about our church. You may want to be baptized. You may want to know how to join our church. You may want to pray or to make a commitment to follow Jesus more closely.

If you wish help with your response you may receive help either by checking a box on the back of the Welcome Card and putting it into the offering plate or you may come to the front of the church when the Pastor stands at the front at the end of his message and he will help you.

# Welcome to our Guests

We welcome each of you to our Church. We hope that you are uplifted by the encouraging message, the beautiful music and the wonderful fellowship of our church family.

It's our desire that people grow in their relationship with Christ and find a place to serve Him. If you do not attend a church regularly, we invite you to become a part of what God is doing here. Please fill out a Welcome Card (yellow). This will help us keep in touch with you. We'll try to answer your questions and provide whatever help we can. We will collect the cards during the offering.
