

WHAT'S YOUR CORE PROCESS?

The core process of every local congregation is to offer H.O.P.E. to the community it serves. Paragraph 122 of *The Book of Discipline of The United Methodist Church* offers a model for a discipleship system in local congregations that includes proclaiming, seeking, welcoming, leading persons to commit their lives to God, nurturing persons in Christian living, and sending persons into the world to live lovingly and justly as servants of Christ. One easy-to-remember example of this core process of discipleship is H.O.P.E.

Hospitality:

Reaching out and receiving new people.

What would happen if your congregation began to pray, "Send us the people no one else wants?" or "Help us receive the people you are sending to us?"

Offer Christ:

Offering opportunities to make a commitment to Christ

What would happen if you took John Wesley seriously and began to "Offer them Christ" as they became part of the fellowship of your congregation?

Engagement:

Helping transform the surrounding community.

What would happen if your congregation began to develop relationships in the community with local schools, with persons living in poverty, with health care facilities?

Purpose:

Growing in faith through participation in the means of grace.

What would happen if your congregation began to meet in small groups and developed relationships through the practice of spiritual disciplines?

Hospitality

REACHING OUT AND RECEIVING NEW PEOPLE.

Hospitality is a means for people to explore a relationship with Jesus. Through **hospitality**, one encounters and responds to the call of God and finds a sense of belonging among the church body when disciples proclaim the gospel, seek, welcome, and gather persons into the body of Christ.

DISCIPLESHIP PATH:

INDIVIDUAL

I offer the love of God to those around me and live in such a way that I am a faithful witness to Christ.

CONGREGATION

We create systems that connect, welcome, and disciple newcomers.

Offer Christ

OFFERING OPPORTUNITIES TO MAKE A COMMITMENT TO CHRIST.

To **Offer Christ** is to lead persons to commit themselves to Christ. Opportunities are provided to make a commitment to Christ through baptism by water and the spirit, profession of faith, and for growth in personal holiness through relationship with Christ and others.

DISCIPLESHIP PATH:

INDIVIDUAL

I intentionally take advantage of opportunities to grow in my faith and commitment to Christ.

CONGREGATION

We create systems that offer opportunities for people to make a commitment, to grow in Christ, and to begin their journey as disciples.

Purpose

GROWING IN FAITH THROUGH PARTICIPATION IN THE MEANS OF GRACE.

Purpose is the preparation and equipping for Christ’s service. One finds a sense of **purpose** in life as a disciple by learning what it means to live out one’s belief through acts of piety and acts of mercy, sharing one’s faith, being nurtured in the faith, and engaging in service.

DISCIPLESHIP PATH:

INDIVIDUAL

I live out my purpose through sharing my faith through the ministries of my church and growing in my connection with God.

CONGREGATION

We create systems that enable people to bear fruit through the deepening of their relationship with Christ, giving to others, worshiping in community, and practicing spiritual disciplines.

Engagement

HELPING TRANSFORM THE SURROUNDING COMMUNITY.

Engagement is the sending out of grace-filled followers of Jesus Christ who are putting their faith into action. Through engagement, one offers hospitality to the stranger, inviting him/her into the fellowship of the body. Thus, we are on a continuous journey as disciples.

DISCIPLESHIP PATH:

INDIVIDUAL

I engage others outside my church by using my talents, gifts, and skills to share God’s love through word and action.

CONGREGATION

Through engagement, we connect gifts with ministry opportunities, develop leaders, and empower disciples to go out and engage in relationships that build the body of Christ.
