If service projects are planned during the course of the programming in the local Seward area you will be responsible for travel to that location as well. WE WANT TO SEND 1 OR 2 STUDENTS FROM OUR CONGREGATION, BUT.....

If you have just a few students wanting to attend and are not able to send an adult with them, team up with another local congregation or other district congregation. Please make sure to identify who from the other congregation will be the responsible party for your youth. A parent and student could also come on their own and consider this a college visit (one free adult registration will still be honored per family group). District schools are also welcome to send students.

WHAT WILL WE DO?

Participate in a local service project and receive service hour credit. Attend sessions on leadership topics led by speakers invited by CUNE as well as University faculty, staff and students. Different sessions available for parents to attend on topics relevant to them such as College 101 and Understanding Financial Aid. See and tour campus as well as have the opportunity to attend a class. Receive a certificate of documentation of your service hours as well as a certificate of completion for private scholarship applications.

We will begin on Thursday evening at 7:30 PM, if you cannot make it in time please let us know. Events on Friday and Saturday begin at 8:00 AM. We will end on Saturday around 12:00 PM.

WHY IS THIS EVENT SCHEDULED IN OCTOBER DURING SCHOOL?

The organizers of C.L.A.S.S. felt that having this event while the campus was active was a vital part of the event so that the students attending get a real taste of "college life" while on campus.

We know that many high school students may be able to qualify the event as a "college visit" and receive an excused absence. Speak to your high school counselor about this opportunity. We will also have campus tours available and a special session for parents of students related to college admissions.
