

As a member of First Church for 70 years, it would be difficult to release just one memory from so many.

I should first say November 19, 1944, when I married Robert Pearsall release grandfather Casmer Pearsall helped build the church.

Singing in the choir over thirty years was a wonderful experience.

I'll always remember being president of the women's society and one year in charge of the Fair.

Our dear daughter was baptized in September, 1949. Ann is deceased but will always be dearly loved.

Robert and I send our best wishes to what will always be our "Home Church."

Grace S. Pearsall
(Mrs. Robert W.)
