Dear Janet:

My fondest memory of the First Church Baldwin United Methodist is one where I was not present. In fact, I was not even born yet. It is of Joan and John Freeman's wedding, which was held in the church. They are my mom and dad.

In my mom and dad's wedding album is a picture of them walking down the center church aisle right after they were married. It was February 11, 1953. The candles were on top of the candle holders at the end of the church pews and they were all lit. It is a beautiful picture of both of them. Their faces were all aglow, even more glowing than the flickering candle flames.

It is my favorite picture of their wedding. One I will always cherish and never forget. I am so grateful they were able to get married and share such a special moment and occasion in this beautiful church! Exquisite!

The picture is enclosed. I hope it can be shared with my memory.

Sincerely,

Alison Freeman
