

Every Church – A Missionary Every Missionary – A Church

100% of this offering directly supports about 3,200 personnel.

As we have looked for ways to reclaim the days of COVID-19 and lockdown, God has faithfully provided. Despite restrictions and working in a Muslim people group, we have fed 1000 families with a grant from Baptist Global Response. Some of those families included pastors, church members and the greater community in our area.

After our quarantine lifted, we met with several pastors and church leaders and are looking to partner with them in the future to engage the “untouchables” with whom we work. Most choose to distance themselves from our people and from us as well because of government regulations. As we helped provide food for pastors and other believers, they have shown more interest in working with us in reaching our people.

PLEASE PRAY WITH US

PRAY we would continue to deepen relationships with local believers and that some would choose to work with us in reaching the “untouchables”.

THANK God for opportunities during the chaos of COVID-19 and lockdown. Thank Him for the courage to conquer fear and to obey His leading.

This story is from workers with ties to Kansas and Nebraska. Your praying and giving enables them to be sent to make a difference around the world for the glory of God!
