As you've probably noticed, we are making some progress on many of the improvement projects the church approved a few months ago. The water line relocation is finished, along with the demolition of the buildings and replacement of the carpet in the auditorium. Our architect will soon have our master plan completed, and we look forward to sharing with you their recommendation. We are also awaiting survey work so bids can be gathered for the new parking lot and new RA/Storage Building. So far, we've spent about \$43,000 on the completed projects, which required us to borrow \$31,000 against our stock accounts with Edward Jones. There is no set monthly payment required, and about half of our dividend receipts can be used for loan repayment. If you would like to contribute, please mark your donation "Loan Repayment". More updates coming soon!
