July 16—The Case for Christ

is the story of Lee Strobel and his own spiritual journey from atheism
to faith. As the seasoned legal editor of the Chicago Tribune, he cross
-examines a dozen experts with doctorates who are specialists in the
areas of old manuscripts, textual criticism, and biblical studies.

August 13—Do You Believe?

A dozen different souls—all moving in different directions, all longing
for something more. As their lives unexpectedly intersect, they each
are about to discover there is power in the Cross of Christ ... even if
they don't believe it. Yet.
