Free admission,
love offering will be taken.

We will receive our **Harvest Offering** on Sunday, November 14. The Finance Committee has set a goal of \$20,000 for the day. The offerings will be used to cover budget deficits in the General Account. As you can see in the statistics to the left, we have been averaging about \$850 a week under budget. Please pray about your part in the financial responsibilities of the church. If you are not practicing tithing, that is a good place to begin. If you are, maybe it's time to increase your regular giving, or perhaps you have been blessed to give a one-time gift to your church.
