Church Multiplication (\$350,000)

All around the state, people groups and population segments still
need a Gospel preaching church. Through the State
Missions Offering, church multiplication is enhanced, loca-
tions are identified and new church planters are discovered,
assessed, trained, coached and cared for, so they can plant
churches that also plant churches.

Church Goal: \$3,000

Received: \$501.50

With the goal of inspiring a new generation with the vision of
Sunday School, the Beta Project gives church leaders practical
hands-on training and coaching to help them implement effective
small group ministries. Many Beta Collective churches
experience break-through growth and evangelistic results.

Small Group Prayer Meetings are held in

the north classrooms
each Wednesday at

6:00 pm. An up-to-date

prayer list is provided. Please submit
prayer requests no later than 3:00 pm
on Wednesday afternoons to have
them included that evening.
