Hello Fellow JHBC Member:

First of all, I hope you all are doing well. I am writing this letter in mid-April and most of you will be reading it around the first part of May so I don't know what the status of the COVID-19 crisis will be at that time. My hope and prayer is that as you read this letter things have greatly improved and we are very close to resuming our normal schedule of church activities and services.

As you know Rich Wood resigned as Associate Pastor of Families & Education on March 12, 2020. As has been stated this was an unexpected turn of events and it caught us off-guard. With Rich's resignation the Personnel Committee now has the job of implementing a search to fill this staff vacancy.

As we have done in the past, one of the first steps in this process is to survey you, the members of Jonesboro Heights Baptist Church to get your feedback regarding the desired characteristics of potential candidates, what elements of family ministry and education may need more focus, and the adequacy of the current job description in describing what is expected of this staff position.

Along with this cover letter you will find a survey and a copy of the current job description. Please remove the survey, fill it out, and return it to the church. We also plan to send out the survey by email which you may complete and return by email. We are using two methods of distribution in order to try to ensure everyone receives a copy of the survey. We ask that all completed surveys be returned to the church no later than one week following the no-gathering order being rescinded. We will have labeled collection boxes at various locations including the main hallway outside the sanctuary, the library, the vestibule, and outside the church offices.

In addition to the survey, we plan to hold several town hall meetings with various groups within the church including a congregational town hall. The purpose of these meetings is to review data gathered from the survey with you and to receive any additional feedback you may have. Of course these meetings are not scheduled yet since at the time of this writing the no-gathering order is still in place. As soon as is feasible they will be scheduled and you will be notified.

Your participation in this process is very important. Once we have the results of the survey and the town hall meetings we will compile the data to develop a profile of the desired candidates which we will use as a guide as we review applicants.

Lastly, but most importantly, before you begin filling out your survey please pray earnestly over it. Pray for God's wisdom as you put your thoughts down on paper. Please also pray for the Personnel Committee as we begin this process. And pray for the person whom our Sovereign God has already selected and even now is preparing to be the next Associate Pastor of Families & Education at Jonesboro Heights Baptist Church.

## ***From The Desk of the Senior Pastor...***

ISA 12:2 "Behold, God is my salvation, I will trust and not be afraid;  
For the LORD GOD is my strength and song, and He has become my salvation."

I'm writing this on the 15<sup>th</sup> of April, knowing that you won't read it for two weeks – and it seems an awful lot can happen in two weeks these days! I will never forget the Thursday morning we were scrambling to find hand sanitizer for the church, but by close of business we had cancelled all services for a month! What a difference a few hours made! Who knows what will happen in two weeks! I just don't know!

The ONE thing that can make me most anxious and fearful is not knowing. Once I understand the problem, I can make a plan of attack, and even if it's hard, I'm good to go! But not knowing, not being able to plan and have a sense of control is when I am at my worst.

So here I am coming to grips with something in a new way; no one knows what tomorrow holds. Not even the next minute. This has always been true but it seems all the more real now in these precarious times.

But here is the good news; no one knows what tomorrow holds...EXCEPT our God. He holds us, and time itself in His hands and His hands are good, kind, and loving. That's why Isaiah uses the same timeless words of Moses and Miriam after they were delivered from the Egyptians (Exodus 15:2), as well as the Psalmist, (Ps 118:14); "Behold, God is my salvation, I will trust and not be afraid; For the LORD GOD is my strength and song, and He has become my salvation."

Maybe I feel the worst when I don't know...but maybe I can be my very best when I don't know, trust in God, and find my peace and security in Him. We all can.

Together May We Shine!

*Pastor Cal*

### ***Worship Notes from Scott***

I know many of you are lovers of hymns. These wonderful, powerful, combinations of lyrics and tune have shaped our understandings of who God is and all that He has done. They communicate theology in ways that are understandable and easy to remember. I will admit, when I need to find a book of the Bible that I don't often have to locate, I will still sing that same old song of the books of the Bible that I learned as a young child (or as much of it as I can remember). That is the power of music impacting the incredible mind that our God created in us.

I am amazed when I read of people like Isaac Watts and Fanny Crosby, and the hundreds and even thousands of hymns that they wrote over the course of their lives. I recently read a unique story about Isaac Watts. It appears God began preparing him at an early age to impact the development of the church and Christianity for centuries to follow. Mind you, he was born in 1674, nearly 350 years ago. And as the story goes, when he was just 5 years old when asked by his father what had caused him to giggle during their family prayers, he answered that through his fingers he had seen a mouse run up the bell-rope, and had suddenly thought,

"There was a mouse, for want of stairs, ran up a rope to say his prayers!"

But it wasn't until he was 20, that after complaining to his father about the grim verse of the metrical psalms they had to sing at Above Bar Chapel in Southampton, that he was told, "Try then whether you can produce something better."

So, Isaac, who had learned Latin at four, Greek at nine, French at ten, and Hebrew at thirteen, began to write and didn't stop until he had completed around 750 hymns in all, including this one, *When I Survey the Wondrous Cross*, written in 1704.

1. When I survey the wondrous cross, on which the Prince of glory died  
My richest gain I count but loss, and pour contempt on all my pride
  2. Forbid it Lord that I should boast, save in the death of Christ my God  
All the vain things that charm me most, I sacrifice them to His blood
  3. See from His head His hands His feet, sorrow and love flow mingled down  
Did ever such love and sorrow meet, or thorns compose so rich a crown

**WOW.** . . it seems as though we are living in some alternate universe and not one of our choosing. In spite of that, Daniel 5:21 tells us that "God rules in the kingdom of men". As we look at the world around us there is much to be concerned about. The storm that we see raging around us is unimaginable...unpredictable...and undeniable. Still the Bible tells us in many scriptures, that God is in the storms of life.

Several months ago I had an opportunity to visit a dear friend in Tennessee. We remembered a sermon Pastor John Hagee preached on some of the names of Jesus and how He is revealed in each of the books of the Bible. I tried to select a few that I thought would be appropriate, given our current circumstances. However, that would require leaving some out. That didn't seem right, so I made the decision to have Marva Lee type ALL of the books and All of the names. So THANK YOU MARVA LEE...for making my contribution to this article minimal, and your contribution the bulk of what's important!

## The AWANA 2019-2020 Year Has Been Completed

Awana awards will be handed out sometime during the 2020 Vacation Bible School. We will keep you informed of the date and time.

Calling all Awana Leaders! The Nominating Committee needs a list of leaders for the next year for the Awana Ministry! We would like to expand our groups for next year because some are so full! All our groups were at the highest number in a classroom that I would like to have. We would need two (2) more teachers in each age group.

The age groups are: **Cubbies**—age 3-4 (following the school age cut off), **Sparks** - grades K-2nd, and **T&T** - grades 3rd-5th. Please contact Sandy or Pastor Cal Sayles if you are willing to serve in this important ministry to children.

Thank you for your loving service to the boys and girls at JHBC!

### News from J. Glenn Edwards Elementary School

The books in the vending machine, which range in reading levels from kindergarten to fifth grade are available for FREE. The books are used and mostly donated by us Jonesboro Height Baptist Church. We have been giving books to the school for a while. Joy Berryman and I started collecting books for reading projects at JGE. "Literacy is a major goal and focus area for JGE. They are hoping the new vending machine will help spark some enthusiasm for reading." With permission from their teacher, students simply key in the code for the book they want. It drops down in the normal vending process. The books in the vending machine are replenished on a regular basis. The students can have the books, return the books... there are no rules, except READ. Please continue to bring your used books to the Mission Depo - JGE boxes (under the steps in the educational building). Thank you for caring, sharing and loving to see our children **READING**.
