Jesse Lee Supporting Friends of the Library

The Friends of the Library is returning to its Annual Book Sale fundraiser in early October. If you have any books to donate you may bring them to the Choir Room.

Please speak to Pastor Fern if you are interested in a prayer shawl group which would meet at the church once a month. Folks could knit or crochet, the shawls are prayed over and then given to those in need due to an illness or other reason. It is a very satisfying ministry.

You can donate online jesselee.org

Come join Pastor Fern on Wednesday evenings via ZOOM for our Weekly Prayer time—stay a little or the whole time.

The GVI, an urban farming program, is looking for people to provide lunch for the 12 students enrolled in their Leadership Program at the Reservoir Community Farm. Lunches need to be delivered to 1469 Reservoir Ave in Bridgeport between 11:30 and 12:00. Dates are available Tuesday-Saturday from June 28 to Aug. 12. You can choose one day, one week, one month—anything is appreciated! Go to <https://www.mealtrain.com/trains/20wrr8> to sign up. They also appreciate donations to purchase lunches, volunteers to work in the garden, and customers to shop for organic produce at the farm stand on Reservoir Ave. More information can be found on their website <https://www.gogvi.org/>
