If you have an article or want to put a church related event into the monthly Circuit Writer please forward the information to Cheryl by the 20th of the month for the upcoming month.

**Please speak to Pastor Fern** if you are interested in a prayer shawl group which would meet at the church once a month. Folks could knit or crochet, the shawls are prayed over and then given to those in need due to an illness or other reason. It is a very satisfying ministry.

### Jesse Lee Supporting Friends of the Library

The Friends of the Library is returning to its Annual Book Sale fundraiser which will take place in early October. They reached out to the community looking for a place to store their books and Jesse Lee has offered to help out. So if you see some folks in the Choir Room off Bennet Hall that would be Phyllis Machledt and her crew of workers sorting books. If you have any books to donate you may bring them to the Choir Room. The Friends and the Library are most appreciative of our assistance.

The Outreach Committee is supporting Mercy Learning Center by collecting prepackaged snack food for their childcare and summer camp programs' attendees. We'll begin collecting Sunday May 22 and finish on June 19. We suggest Gold Fish crackers, pretzels, any kind of whole wheat/whole grain crackers, and granola/cereal bars. A table will be available in Bennett Hall. Thank you for your support of the children whose Moms are being tutored and are furthering their education through Mercy Learning Center.
