**ABOUT JAMMIN' JAY LAMONT**

The Human IPOD, also known as Jammin' Jay Lamont, has been dazzling his audiences for years from start to finish. Born and raised in OKC as a Preacher's Kid (PK) Jay would always emulate musical sounds from other artists and instruments.

After he graduated college and moved to Houston TX., he started his radio career and received his name, Jammin' Jay Lamont. He was so amazingly funny and good at doing impressions on the radio that he took up a career in entertainment as a comedian.

It's no wonder people are amazed when they see Jammin' Jay Lamont perform as he requires NO Band, NO Backline, NO DJ, and NO background singers! The only requirements are a quality sound system and an audience ready to have fun!

Jammin' Jay Lamont has performed on BET's Comic View, Comedy Central, Showtime at the Apollo, Tom Joyner Family Reunion, and season 6 of America's Got Talent.
