Take the Caring Well Challenge

The American church is facing an abuse crisis.

Is your church doing all it can to be safe for survivors and safe from abuse?

The **Caring Well Challenge** is a response to this crisis. It's a way to equip your church in its efforts to prevent abuse and care for abuse survivors. You can learn more about the Challenge at CaringWell.com, but essentially it involves a team from your church guiding the congregation through a step-by-step process of enhancing how your church addresses abuse. Caring Well provides free tools and training for your church throughout the process, including a handbook, an introductory video and 12 video lessons featuring top experts from around the country.

Churches should be refuge for those who've experienced abuse. But too often, survivors haven't found the protection they deserve and the care they need from the church. Our churches should be places that are safe from abuse.

Is your church ready to accept the Caring Well Challenge?

THANK YOU!

Thank you to those of you who have donated for the work on the Elisha House. It's coming along well, but we still need help in completing the job. What remains to be done is laying flooring (vinyl planks, tile), installing kitchen faucet and sink, repairing soffit/roofing, and some painting. Our next phase will be furnishing the house with appliances, linens, cookware, decorations, etc. If you can be of help in any of these areas, please let Billy Benson know at (405)595-1053/billyebenson@gmail.com or Esley Koehn at (580)402-7376/esleydean@gmail.com.
