Some special values at Pike County Christian School:

- The Word of God is the standard from which we acknowledge absolute truth in developing all policies, programs, and services.
- Achievement of excellence is our goal.
- Rooted in Christ, we model a vibrant and dynamic personal relationship with Him.
- Raising the bar to a much higher level than what society requires or values, we support and partner with parents and their churches in training and instructing children for a lifetime of learning, leadership, and service.
- Investing in the lives of others is our hallmark.
- Ordinary is not in our vocabulary. Everyone is valued and uniquely created in the image of God.
- Recognizing God's presence and power, we strive for integrity, honesty, and transparency in our lives.
- Spirit driven, we are called to serve others, give selflessly, and exemplify good stewardship in order to honor God and benefit others.
