"Churches joined together...Serving here...Reaching the World"

Look for details of this year's Associational Camps inside!

The last few weeks have been interesting in respect to weather. Most of us have been spared any real inconvenience but many have been put out of their homes or business' for extended periods of time. One of our sister churches, Midway Baptist, Palestine, as of this writing, has 10-12 inches of water in their sanctuary. We who have been spared need to be very grateful and be in much prayer for those who were not. We also need to offer as much assistance to those in need as possible.

Both our Disaster Relief teams, chainsaw and feeding units, have been busy doing what they do best, ministering to those affected, both in our association and around the state. I am very proud that as an Association we have these two units as a part of our ministry. If you would like information about how you can be involved in one or both of these ministries, please contact me at 870-238-2175.

As camping season is around the corner, look for dates in this newsletter, we need volunteers. There are a number of ways you might be able to help, as we minister to kids and teens this summer. Please talk to your pastor or contact us here at the office if you would have some time or talent to give.

Bro. Ray Dean
