It has been a little while since you have received a newsletter, but please don't blame the Post Office. January and February are so slow we decided to forego printing and then Janet had to have a major surgery and had a long recovery, so we apologize for any inconvenience.

Very soon we will be given a great opportunity and we should feel honored. Parents will soon be entrusting us with their most prized possessions, their children, for V.B.S. and CAMP. They allow us to have their children for 2-3 hours a day during V.B.S. and for 4-5 days for camp and we get to tell them everything we know about JESUS, But the sad thing is we often drop the ball. So many people look at V.B.S. as drudgery instead of an opportunity and we struggle every year getting adult counselors for our three camps. We will stand in judgment for that someday.

I urge you to volunteer this year to do whatever needs to be done (DON'T WAIT TO BE ASKED) when your church plans your V.B.S. and would you please consider volunteering to work in one or all of our camps this year, we can find something for you to do, call us at 870-238-2175. Please begin praying now that God will have His way in the hearts and lives of the children and teens that we have the privilege of ministering to, this summer.
