- families are encouraged to sit together and do not have to follow social distancing

- We encourage people not to come if they have been sick, have been with someone who is sick, or considered to be in the high risk category.

- Wearing a mask is encouraged

- during phase one there will be no Sunday school, or youth group.

- The recovery through Christ ministry will continue to meet following social distancing guidelines.

- We ask that families sit together and not allow kids to be unsupervised.

- Although not required you can call, text, or email to notify that you will be attending the Sunday evening service.

- Restrooms will be available but should be used sparingly to avoid lines and limit surface contact; disinfectant will be available.

- There will be hand sanitizing stations and masks available.

3. We will continue in phase one throughout the month of May and will evaluate services, times, and places of meetings at that time.

Phase two: will continue many of the practices started in phase one but will be adjusted accordingly.
