CARD MINISTRY
Our prayer card ministry from the Children and Youth Department is very active. If you have a person or family that is in need of prayer and you would like them to receive a card from us, please make sure to email Leslie Plyler (LCCDAP@HOTMAIL.COM) with that person's address. This includes anyone mentioned on the prayer list or during prayer concerns on Sundays.

CHURCH DIRECTORY COMING SOON
We are currently working with LifeTouch/Shutterfly to get started on an updated church directory! Our last directory was published in 2005, so we are definitely due for one. Our target date for pictures is going to be Saturday, May 18th, but that date is subject to change with availability from LifeTouch. The directory will include congregation members physical and email addresses, along with pictures of individuals/couples/families, Sunday School groups, Choir, Handbell choir, SOAR and FLIGHT members, and so on. We are looking forward to having an updated Directory to share for years to come. Be looking for more info on this in the coming weeks!

SAFE SANCTUARY
It's time for us to have annual Safe Sanctuary training and background checks for anyone who works with the children or Youth in the church in any capacity. We will be getting information out about this in the coming weeks.

YVBS!
With our Youth Group numbers “SOAR”ing and our Children’s department numbers averaging 5 or less a week, I’m sure you had noticed that we have not had Vacation Bible School in the past 2 summers. Our plans for this year will take a different approach than in previous years! A new twist we like to call YVBS, or Youth (based) Vacation Bible School. To keep our growing Youth group interested and motivated to attend, we will focus on a curriculum that is Youth-friendly, but can be modified to all age groups! We hope to have lessons for young and old. We are also planning on moving YVBS to the beginning of summer (instead of August, as it has been in past years) and it only being a one-day, Saturday, session. This will help with Youth who have sports and educational camps through the week during the summer break. And of course, our YVBS day wouldn’t be complete without an outdoor movie and a visit from the Sno-Cone Truck! We plan to have a parent’s meeting for Youth and Children in the coming weeks to finalize dates and, again, we hope to have adult classes during Bible School to get the whole congregation involved! Be in prayer for our preparations and ways that you can serve and join in!
