### **Little word, big difference**

God says to give thanks in everything. That doesn't mean you need to give thanks for everything. You don't need to give thanks for that bad day. Or for that bad relationship. Or being passed over at work. Financial hardship. Whatever it is —

you are not to give thanks for the difficulties but rather in the difficulties.

That is a very important distinction, and one I think we often miss. Giving thanks in everything shows a heart of faith that God is bigger than the difficulties and that he can use them, if you approach him with the right heart and spirit, for your good and his glory. - Tony Evans

YOU WILL BE ENRICHED  
IN EVERY WAY TO BE GENEROUS  
IN EVERY WAY, WHICH THROUGH  
US WILL PRODUCE  
THANKSGIVING TO GOD.

2 CORINTHIANS 9:11, ESV

## Thanksgiving Beatitudes

Be thankful you don't have everything you desire.  
If you did, what would there be to look forward to?

Be thankful when you don't know something  
for it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you  
grow.

Be thankful for your limitations,  
because they give you opportunities for improvement.

Be thankful for each new challenge,  
because it will build your strength and character.

Be thankful for your mistakes. They will teach you valuable lessons.

Be thankful when you're tired and weary, because it means you've made a difference.
