Please reload the Block Party Trailer according to these instructions AND in this order.

Shelf

1. Popcorn machine – front end of shelf
2. Snow Cone machine – next (with cardboard between it and the popcorn machine)
3. Cotton Candy machine – next
4. Bounce House Blower – next
 - These machines should be lashed to the left wall with the small orange and yellow rope.
5. Four small tent frames in green bags – 2 across and 2 high in front of machines on the shelf
6. Striped small tent covers – folded and on top of frames

Floor

7. Generator – front left corner (handle out)
8. Black & Grey Tub (with loose popcorn packs) – on top of generator
9. Green Tub (with snow-cone flavor bottles) – on top of Black & Grey Tub
10. Grill – on the floor undershelf (pushed all the way forward)
11. Extension Cords – on the floor, by the grill, under front of shelf

12. Cotton Candy Cone boxes – standing upright on the floor between the generator and the front wall
13. Cotton Candy Machine Bowl (in box) – on top of cotton candy cone boxes, between green tub and front wall
14. Three long tables – on edge, on the floor, in the hallway against shelf (pushed all the way to the front wall)
15. Six chairs (in 3 stacks of 2) leaned up against tables
 - Tables and chairs lashed to shelf structure with red and white rope
16. Ice Chest – on the floor in hallway between chairs and right wall
17. Black & Yellow Tub (with snow cone cups) – on the floor in the right front corner
18. Cardboard Boxed supplies - stacked on top of black & yellow tub

NOTE: The key to the trailer hitch lock is on a blue lanyard in the plastic bag in the black plastic tray attached to the right front wall
