

"THANK YOU Dear Mission Supporters!"
&
MERRY CHRISTMAS!

Because of YOU, our faithful financial supporters:

People are hearing the gospel, learning Bible stories, receiving medical help, learning English, & receiving training in various subjects -- like child-rearing.

We are currently in the USA on vacation, enjoying our newest family member, & we've been able to personally thank a few of you!

We head back to Peru on Dec. 2nd, ready to plug into a new year of ministry growth & development as we look toward the launch of a new church.

Please know that we remain incredibly grateful for the trust that you have placed in us as you financially support us to serve the Lord in Peru. We continue to see God at work & we **THANK YOU** for your participation in our ministry!

With deep gratitude,
Rick & Donna Martin
MERRY CHRISTMAS!!

Our little grand-daughter,
Zoe!
