

INTRODUCING...

COR
CHRISTIAN OUTREACH

Baptist Campus Ministry at Syracuse University

Love God, Serve Others, Share Christ

We are so grateful for your partnership in sharing the Good News of Jesus Christ at Syracuse University! This summer, BCM student leaders have been busy planning for the work on campus to begin this August. They have formed a new branch of the Baptist Campus Ministry called Christian Outreach. Christian Outreach, also called COR, is a community service-focused ministry, and connects students on campus to service opportunities in the City of Syracuse and in nearby communities. COR will facilitate new avenues for our mission: Love God, Serve Others, Share Christ.

Christian Outreach will offer monthly service projects for any student to join in, and will bolster local churches and ministries as we serve alongside them. During

the week COR will host investigatory Bible studies. In addition, COR will offer practical workshops in collaboration with other campus offices to help students learn healthy habits for serving, based on Christ's example.

We are excited about this opportunity to serve our Syracuse community, and to connect students with dedicated Christian workers who are bringing hope to their neighbors. Please join us in prayer for the growth and strength of this new work God is doing!

With Christ's Energy,
Devon and Kate
